## 04 FAQ

## 4. FAQ

Questions and Answers About the Mewpot Service For Additional Inquiries, Use Our Q&A Section At the Bottom of our Web.

**Q1**

### Is Unlimited Use of Royalty Free Music & SFX True When Subscribing to Mewpot?

While Subscribing to Mewpot, All Paid-Contents in Mewpot is Available in Use. At the Same Time, **Every Content is Available** to Use for Various Platforms, Including Advertisements, YouTube, Websites, Blogs, and Live-Streaming Services.

**Q3**

### Are There Great Sounds For YouTube or Corporations to Use?

These audio tracks are created through data-driven analysis of content usage patterns and trends among actual YouTube and corporate users. They are optimized for YouTube and social media platforms, making them hard to find elsewhere. This enables businesses to save significant time in finding suitable music and produce high-quality videos for their channels and promotional efforts.

**Q5**

### Can I Access Mewpot From Different Computers with Just One Account?

When subscribed to Business Membership or over, There Are No Limitations In Access to Mewpot.

**Q2**

### Are Uploaded Contents Free From Copyrights Even After the Subscription Is Terminated?

Fro Videos Uploaded During Your Subscription, You Can Use the License For a Lifetime Even After the Termination. **However, Videos Created After the Termination are Not Allowed to Use Sounds Downloaded During the Subscription.**

**Q4**

### Can I receive documentation related to the copyrights?

While using Mewpot, licenses are issued for all downloaded audio tracks, and we can also provide additional documentation such as tax invoices and quotations. If necessary, we can enter into contracts between companies and provide documents like company seals and contracts.

**Q6**

### Are Mewpot's Paid-Contents Available In Advertisement Use?

Advertisement Use is Open to those Subscribed to the Proper Membership.

**Q7**

### When Creating Games and Applications, Do I Have to Keep My Subscription?

When Creating Games and Applications, You Do Have to Keep Your Subscription. They Must Be Published Before the Subscription is Terminated. However, We Recommend You to Buy the Sources You Have Used. When Updating the Games or Applications after the Termination of the Membership, Licenses for the Used Sources Are Not Generated and May Cause a Copyright Issue
